

“Party with a Purpose”

Friday, June 7th 2024 6-10pm

P.A.C.K. is a 501(c)(3) organization dedicated to promoting the welfare of animals. We do this by providing funds for veterinary care, food and supplies to animals belonging to low-income families, seniors, and unhoused individuals. We also provide rescue, foster and rehoming of animals who have nowhere else to go. Finally, P.A.C.K. supports the efforts of other like-minded animal welfare organizations by providing financial and other assistance to further their impact and aid in their successes.

OUR EVENT ~

Our “Party with a Purpose” GALA event will be our second fundraising event to generate much needed funds to continue the life-saving work we do. We will be hosting silent and live auctions, raffles, and working to build support for our organization through new relationships. This event will have at least 350 attendees, so the opportunity to advertise your business and demonstrate your commitment to charitable work in the community we believe is a strong one.

OUR ASK ~

In 2023, P.A.C.K. spent over \$212,000 providing medical assistance for animals that would have otherwise suffered without help due to their owners’ inability to pay for veterinary care. We also served 1714 low-income families (with close to 3400 dogs and 3000 cats) by providing free pet food through our outreach efforts. In 2023 alone we spent over \$81,000 on pet food pop ups and community outreach. Sadly, the need for medical care and food for pets continues to grow in our community and our ability to provide services depends solely on private donations from our supporters. We are asking if your business would be part of making our event a success by donating an item or service to our Silent or Live Auction. All donations are tax-deductible and so greatly appreciated. (Tax ID 82-1575597) We hope you’ll join our efforts. Please contact us via email at events4pack@gmail.com to donate before 5/1/24 and help us make a meaningful difference in the lives of animals.

Very Sincerely,
Jen Blankers
P.A.C.K. Founder and Director
